THE REPUBLIC OF ARMENIA

Introduction

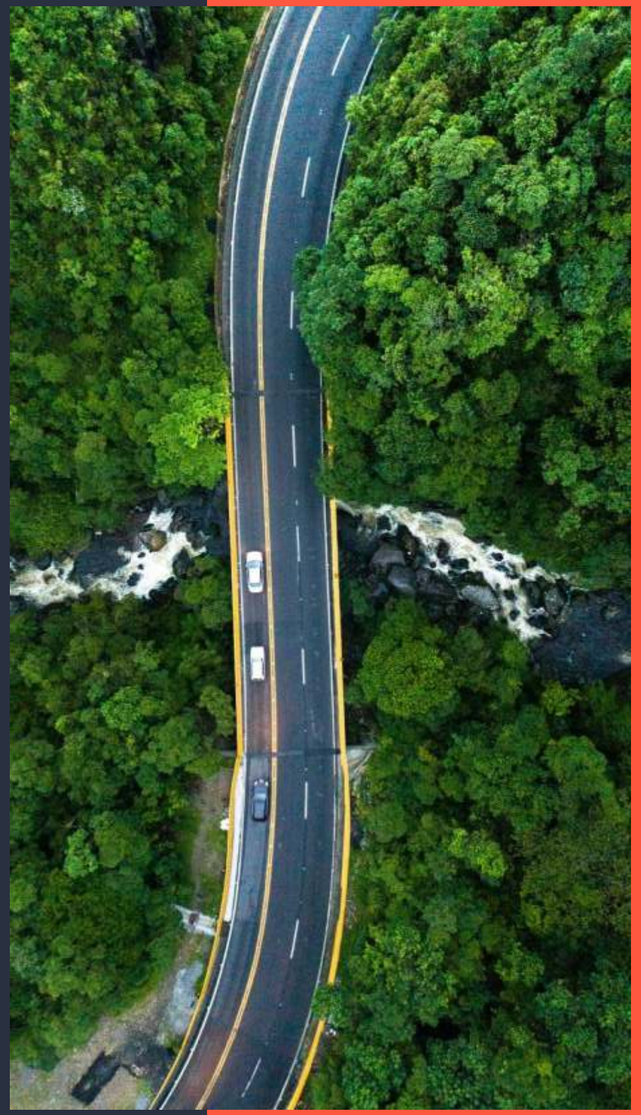
The Armenian Tourism Federation, with strategic priorities that include the organization of tourism exhibition aimed at developing the country's tourism potential and promoting international cooperation, in collaboration with "Armenia Travel" and "Prom Expo", companies with over 25 years of experience in organizing tourism programs, exhibitions, conferences, festivals, and other large-scale events, have jointly initiated the organization in Armenia of the first international tourism exhibition-conference of its kind.

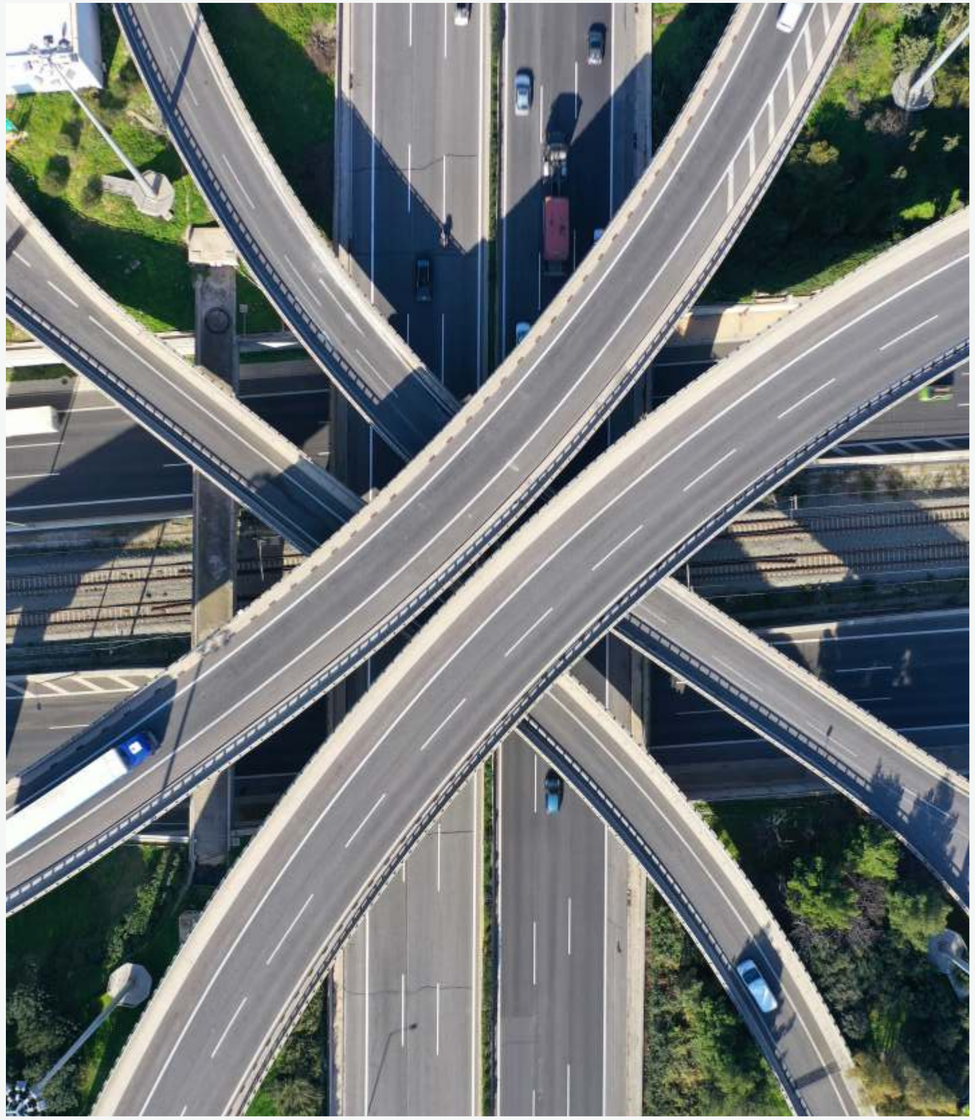
Mission

To establish a dynamic international platform that unites leading tourism organizations and professionals, showcases the tourism product of Armenia, the region, and target countries, fosters the development of business connections, enhances Armenia’s global visibility, and inspires locals to explore the world and broaden their worldview.

Vision

To become the region’s leading tourism event, bringing together industry leaders as the primary tourism platform of the Caucasus, fostering new business opportunities, encouraging educational and cultural exchange, and promoting Armenia as an international tourism crossroad.





Goals

- Increase international interest in the tourism potential of Armenia and the region.
- Attract international travel companies and journalists by showcasing Armenia’s diverse tourism offerings and strengthening strategic collaborations.
- Present offerings for both well-known and new outbound tourism destinations to local travelers and tour companies.
- Facilitate knowledge exchange and learning opportunities through speeches, discussions, and seminars by international experts, contributing to the spread of innovative solutions.
- Enhance the recognition of Armenia’s cultural, historical, and natural heritage by encouraging sustainable tourism development and strengthening ties with local communities.

Event Description

The **International Tourism Fair Armenia 2025** is the first event of this scale and format in Armenia, symbolizing a crossroad of opportunities for international tourism.

Taking place from April 4 to 6, 2025, at the Karen Demirchyan Sports and Concert Complex, the event will serve as a hub for connections, ideas, and experiences.

Much like its logo, both the exhibition and the conference reflect the **union of paths** and the creation of **new routes** for collaboration, offering participants freedom of choice and the opportunity to discover numerous alternative destinations.

Exhibitors will be able to choose booths corresponding to their field of activity based on the event sectors and zones presented further.

Visitors Overview

ITF Armenia 2025 is projected to welcome 10,000 to 12,000 attendees over its three-day duration.

The event is designed to cater to both the general public (B2C) and industry professionals (B2B), providing diverse opportunities for new discoveries, networking and collaboration.

- **B2C Visitors:** Accounting for 65–75%, these visitors include individuals and families seeking new travel ideas and convenient options, unique experiences, and exclusive offers.
- **B2B Visitors:** Represent approximately 25-35% of the total attendees and include tour operators and decision-makers.

Admission for visitors is free, but registration is required.

B2C Visitors

Due to the nature and popularity of the sector, the event's visitors will include both men and women aged 20 to 70, with diverse income levels and interests.

The primary target groups are:

- Ages 25–70: Individuals who prefer **leisure** travel and are looking for comfortable offers.
- Ages 20–40: People interested in **adventure** travel.
- Ages 40–60: Travelers focused on **cultural** tourism.
- Ages 30–60: Those seeking to explore **non-traditional** and **unique travel** destinations.
- Ages 20–35: Individuals interested in finding **well-paid job** opportunities in tourism and related fields.

B2B Visitors

B2B visitors from Armenia include organizations that utilize the services and products offered by the exhibition participants, creating broad opportunities for collaboration.

These organizations may include tour operators, corporate clients, event organizers, as well as companies operating in the tourism, finance, and technology sectors.

The event will also host **international B2B buyers** from key inbound tourism markets such as Germany, Austria, France, Italy, the United Kingdom, the UAE, Russia, India, China and others.

Renowned **international bloggers and journalists** will attend the event to explore Armenia as a tourism destination and contribute to raising its global visibility.

Why Become an Exhibitor at ITF Armenia 2025?

- **High visibility:** Showcase your company to local and international representatives in the tourism industry, increasing your visibility.
- **Platform to present new services:** This is a unique chance to introduce new services and innovations, capturing the attention of local and global audiences.
- **Direct feedback:** Engage with both local and international visitors to understand market expectations and refine your services.
- **International networking and collaboration:** Use the event as a platform to establish connections and build strong business relationships.
- **Competitive advantage:** The exhibition offers a unique opportunity to showcase your company's services and products, strengthening your brand's position in the market.
- **Professional development and knowledge sharing:** Gain insights into the latest industry trends and sustainable development practices in tourism.
- **Boost Armenia’s tourism profile:** Your participation will contribute to increasing Armenia's recognition as an attractive destination, supporting the development of tourism.

Construction Terms

The official event constructor is **Prom Expo**.

Exhibitors may engage third-party vendors for booth construction and design with prior approval and certification from the organizer. This ensures all booths meet event standards, adhere to safety regulations, and align with the exhibition’s overall aesthetics for a seamless and professional experience.

Third-party vendors must submit an application to the organizer at least 15 working days before construction begins and complete a construction authorization agreement to ensure compliance with event guidelines.

About the Organizers

The Armenian Tourism Federation was established on August 2, 2018, by the decision of its founding assembly, through the reorganization of the Union of Inbound Tour Operators of Armenia, which had been operating since 2004, and is its legal successor.

The Union of Inbound Tour Operators of Armenia has played a significant role in Armenia's economy, actively and effectively cooperating with public and private sector partners in Armenia, including within the framework of international collaboration.

Today, the Armenian Tourism Federation facilitates cooperation among stakeholders, supports the development and implementation of tourism policies, promotes the establishment of business connections, and provides information and consultation, contributing to the sustainable development of tourism in Armenia.

About the Organizers

Since 1996, Armenia Travel has been one of the leading companies in Armenia's tourism industry. The company provides high-quality services and creates unforgettable experiences for its clients, guided by its core values: care, reliability, and professionalism.

As a member of IATA and Lufthansa City Center, Armenia Travel expands its horizons, connecting Armenia to the international tourism market. The company specializes in air ticket sales, inbound and outbound tourism, as well as the management of corporate events and the organization of international conferences.

Armenia Travel is a co-organizer of the International Tourism Fair Armenia 2025, bringing together industry professionals and travelers, contributing to enhancing the visibility of Armenia and developing hospitality traditions.
